HOD hauling switch brings rate increase

by GLORIA DAVIS

A large portion of the residents of Lake County have been notified that their garbage hauling rates will take a hike as of the September to November quarter. These residents are the ones whose garbage is hauled by HOD.

A notice on the latest HOD bill explains that the raise is due to the increase cost of hauling to the landfill.

According to John Growenboom, Waste Management dist. director, the raise was brought about because of the increased costs in hauling waste to the Grayslake site in-

stead of the Antioch Landfill which has been closed while litigation between the disposal company and the Village of Antioch continues.

"The toll gate charge at Grayslake is higher and other operational costs have gone up," said Growenboom.

In Antioch and other spots in Lake County this raise amounts to \$1 per month or a quarterly raise from \$21 to \$24.

"Some places only got a 50 cents per month raise," added Growenboom as he agreed that the further the area from the Grayslake site, most probably the higher the raise.

School filing deadline nears

Those seeking to run for open seats on the Antioch area school boards must file their petitions by 5 p.m., on Monday, August 29.

At press time most incumbents had filed except at Grass Lake School.

There are five seats open on the local grade school boards, two, two-year seats and three, four-year seats.

Filing for the open seats on the Antioch Grade School Dist. 34 board are incumbents Jim Quedenfeld, Gil Heath, Bruce Jablonski and Ray Pomrening.

Present Board President Garnet Cook has not yet filed but, having taken out a petition, is expected to file before the deadline.

Newcomers filing for that grade school board are William Feezor, Marie Gedville, both running for the four-year terms, and

Phyllis Zora, filing for one of the two-year terms. Mrs. Ralph has also taken out a petition but to date has not yet filed.

All the incumbents have turned their papers in at Emmons School. That list includes: Don Lassard, Richard Becker, Ann Kaiser, Sandra Steffenburg, and Jan Ranney.

Challenger Alice Gantar has filed. James Dalgaard has taken out papers but to date has not filed them.

At press time, only four people had filed papers for the five open seats on the Grass Lake School Board. Incumbent Henry Mohava is being challenged by Judy Hansen for the two-year post and incumbent John

Antioch retailers see new green horizons

by GLORIA DAVIS

Reports from Washington have the economy in an upswing and the local retail consensus for the most part runs parallel to output from the nation's capitol.

Of course Antioch's money intake always swells in the summertime with the area's population increasing by approximately 10,000 summer people.

Although Antioch Chamber of Commerce President Dan Dryer said that some of the vibes he was feeling were not good and that many of the merchants he had talked to about local retail summer sales had reported

that it was a rather "quiet summer," Antioch's financial institutions are painting everything from a monochromatic to a brighter picture of the area's commercial outlook.

Andy Bernhardt, president of the State Bank of Antioch, said, "In my opinion business in Antioch this summer was better than normal with the heat and the inception of Jewel-Osco considerable factors."

Bernhardt added that he thought that the "summer traits" was fading fast since many of the former summer cottages were being transformed into full-time residences.

Bernhardt cheerfully added that the upswing should continue and "we'll have a good Christmas!"

Lou Korom, First National Bank's vice president, was a little more reserved in his evaluation of Antioch's commercial climate.

"Well, business was much better than last year with the loss of the two grocery stores etc., but the traffic was not as heavy as in previous years."

"Average," was Korom's description of Antioch's summer business, adding that many of the businessmen he had talked with said that, though the volume of their sales was down, the price of the individual items sold was higher.

Kurt Kluever of Great American Savings and Loan said that the new savings and loan was doing about the volume of business expected when that company took over the old Antioch Savings and Loan a couple of months ago.

"We have retained most of the old accounts and new ones are coming in steadily," he said.

Jim Pisano of Kings Drugstore said that (Continued on Page 6)

Assessment roll listed

The assessment roll of Antioch Township as certified by the County Supervisor of Assessments appears on Page 8-11 of this issue of the Antioch News. Every property owner of Antioch Township should make it a point to check the amount of his assessment.

The printed assessments, as well as all other assessments in Antioch Township except property assessed under Sec. 44.1 of the Revenue Act of 1939, as amended (Ch. 120 Para. 525.1) and land assessed under Sec. 20e and 20g-1 of the Revenue Act of 1939, as amended (Ch. 120 PP. 501e and 501g-1) will be subject to a Board of Review equalization factor tentatively projected to be .9866. The assessed value multiplied by the factor should equal one-third of market value.

Any property owner who objects to the amount of his assessment should file a complaint in writing with the Board of Review Room 603 Lake County Administration building, Waukegan, Illinois 60085. Property owners will have from June 1 to September 10, 1983, or until thirty (30) days after publication, whichever is later, to file a complaint.

Teen injured cited for DUI

Another Illinois teenager, cited for drunken driving, was critically injured across the stateline in Wisconsin, early on Thursday, August 25.

Dennis Radzik, 18, Antioch, formerly of Salem, was critically injured when he was thrown from his car after its motor was torn loose and its rear end was sheared-off, doing thousands of dollars in damage to trees, a utility pole and lawns on the north side of Hwy. C in Trevor.

His car reportedly left the road while it was eastbound, crossed the highway and ploughed across lawns, knocking down trees and a telephone pole.

He was taken to Kenosha Memorial Hospital around 4 a.m. by the Salem Rescue Squad with broken limbs and lacerations. He was in serious condition at press time.

Radzik was also cited for driving without a valid driver's license.

Bring friends

The Antioch Senior Center has announced its new Bring A New Friend To Lunch contest, running from August 15 to Sept. 30. Every time a member brings a new guest, 60 years or older, to lunch at the center, the member's name will be put on a special ballot. Naturally the more guests one brings, the more times a member's name can be eligible to win a four-day trip for two to Canada and Michigan or a Fall Foliage Day Trip on Nov. 16.

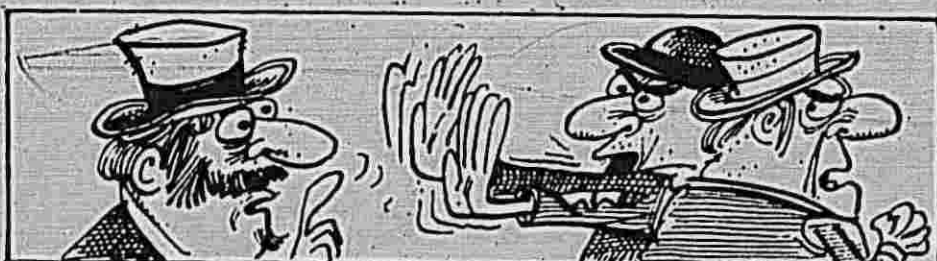

The name of the grand prize winner will be drawn from the senior center that has the largest percentage of new guests.

Destruction results in new conservation land

The Illinois Dept. of Conservation has been granted a conservation easement on two wetland tracks on the west edge of Grass Lake to compensate for property destroyed by unauthorized filling by Leisure Technology Midwest Inc. of Fox Lake.

According to the conservation department, the property was in exchange for earlier destruction of wildlife habitat on a similar parcel nearby.

Robert Schanzle, manager of the conservation depart-

ment's waterways permit division, said the wetlands are nine acres and 11 acres respectively. They form the south and north sides of an abandoned marina basin on Grass Lake's west shoreline. The sites lie just south of Chain O' Lakes State Park, which the smaller tract adjoins.

The conservation easement is to offset the destruction of habitat caused by unauthorized filling and consequent destruction of a six-acre wetland on Grass Lake several years ago by

Leisure Technology. Leisure Tech are developers of Vacation Village and Leisure Village in Fox Lake.

Leisure Tech retains ownership of the property but forever relinquishes all development rights. The filled area is along the south edge of the nine-acre easement property.

Schanzle said the tracts will be left in their natural state to continue serving as habitat for a wide range of birds, small mammals, reptiles, amphibians, plants and wildflowers and aquatic life in the area.

Seniors to be honored

The 11th annual Senior Citizens Recognition Day at Lakewood Forest Preserve will be held Wednesday, August 31.

Entertainment will be highlighted by the Chicago Slovene Button Box, Frank Trusky and His Band, Leroy Frank and the Marks, pianist Elwin Whiteman, singer Ike Cole, Great Lakes Anchormen, 81st Army Band, Northern Illinois-Southern Wisconsin Musicians and the American Croation Tamburitans.

Festivities begin at 9:30 a.m. with a flag raising and welcome.

Free beverages and other refreshments, including ice cream and popcorn, will be provided. Seniors are asked

to pack a lunch to supplement the refreshments.

For information concerning transportation, seniors are asked to contact their local township supervisors.

Ask Dr. Sven

by Robert T. Sven B.S.D.D.S.

YOUR OCCUPATION AND YOUR TEETH

QUESTION:
Can a person's work affect the health of his/her mouth and teeth?

ANSWER:
The mouth, gums and teeth are as susceptible to occupational hazards as the skin, eyes, lungs, limbs and any other parts of the body. We all form habit patterns in our work situations based on the way we sit, stand, move or feel while we're working.

People who work with small objects tend to put them between their teeth as they work. Tailors and dressmakers do this with pins, upholsterers and carpenters with nails, musicians with mouth instruments. All of these can cause tooth damage and periodontal problems. Stress, chemicals and work surroundings also play a role in health of mouth, gums and teeth. If you are having problems with your teeth or gums, be sure to discuss your field of work with your dentist. It may be part of the cause.

No charges filed yet

Although witnesses at the scene of the fatal accident that took the life of John Melhorn, 27, Antioch, on August 15, stated that the other car involved, driven by Michael Swanson, 16, Lake Villa, passed cars just before a curve, no charges have been made against Swanson to date.

According to Assistant State's Atty. Peter Trobe, in charge of State's Atty. Fred

Foreman's task force against reckless homicide, said that he knew nothing about the incident and that he would check with the sheriff's department.

The Lake County Sheriff's Dept., as of press time, had no record of any charges made against Swanson who remains in Mc Henry Hospital recovering from injuries suffered in the accident.

Along the way with ANNIE MAE

Congrats to Gregory Mouton who recently graduated from Southeastern Academy in Florida. Greg is now fully qualified for an entry-level position in all areas of the airline, travel or tourism industry.

Another young Antioch man who has done his home town proud is Air Force Capt. Richard E. Bennett, son of Richard Bennett, Antioch, and Elda Bennett, Gurnee. He has been decorated with the U. S. Air Force Commendation Medal at Shemya Air Force Base, Alaska.

Bennett, who is a chief of civil engineers operations with the 5073rd Air Base Group, was honored for outstanding achievement and meritorious service in the performance of his duties.

I see that Antioch High School's new soccer fields were baptized with the first play taking place last week.

Jack Siegmeier and Ted Larson were pretty clever at the Rotarian Lunch at the Windjammer. Those slick money-makers surprised fellow Rotarians when they held the "Who Holds These Antioch Offices" contest.

Instead of having to pay a fine for those well known Antiochans they couldn't list, Siegmeier and Larson had the boys paying both ways.

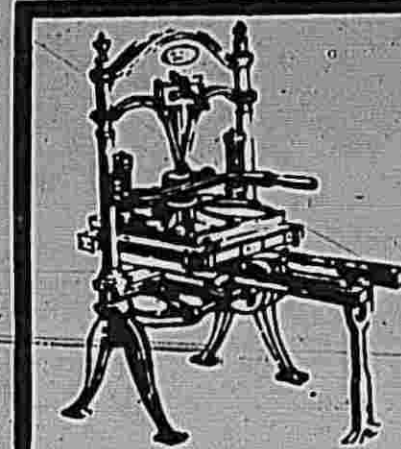

Have you heard the one about the husband who got an over-time parking ticket while he was busy yelling at his wife for getting two such tickets for parking in front of her business establishment on Main St. and letting the meter run out.

Those boys in blue are doing a good job trying to keep parking open for shoppers, especially Officer 16.

Saw one of Antioch's best swimmers, Ted White, downtown last Thursday just before that torrential rain hit. Maybe he was acting as a lifeguard at the intersection of Toft and Lake where cars were in water over the hub caps.

And I hear that Jay A. Shanks, son of Charles L. and Patricia Shanks, Antioch, has been promoted in the U.S. Army to the rank of specialist four.

He is a communications specialist in Wuerzburg, West Germany, with the Fifth Signal Command.

The Time Machine

FIFTY YEARS AGO: August 31, 1933

Walter Scott, Antioch dairy owner, received a third in the excellence awards for his products at the Illinois State Fair.

Deposits at the First National Bank of Antioch for the past month indicated that local businesses were enjoying a slight uptrend.

Antioch Grade School and Antioch High School expected an enrollment of 450 students with school about to begin.

An article on the front page of the Antioch News announced that "A band of gypsies drove through town in three cars. After a short stop for gas and oil, the gypsies continued on to Richmond. The band was a target for curious eyes but their short stay aroused no disturbance."

THIRTY YEARS AGO: Sept. 3, 1953

Remodeling work to create new offices was started at the old Antioch Fire Station.

A temperature of 100 degrees on Tuesday, Sept. 1, set an all time local heat record for that day.

The Regal China Co. was busy cleaning away the debris of its recent disastrous fire.

Dr. B. H. Burke moved his dental office to Antioch.

Cigarettes were selling for \$2.07 a carton at the A&P.

Jane Wyman and Ray Milland were starring at the local outdoor theater in "Let's Do It Again."

The Women of the Moose, spearheaded by Florence Dexter, held a successful "Hay Jamboree," at the Antioch Grade School.

TEN YEARS AGO: Sept. 5, 1973

The Antioch High School Board voted to join with the other Lake County high schools in the development of an area vocational school.

There was much discussion on the possible annexation of the Cabl Development, planned for an area west of the village. It was expected to add 472 elementary students and 122 high school students to the local school system's load with the 769 dwelling units planned on the developers' 155 acres of property.

Both the high school and the grade school announced a "Free Meal" policy for those students who were unable to pay.

The opening play for PM&L's new season was "The Solid Gold Cadillac," directed by Lou Jones.

When I think about it

Only my children deserve to have a Mom like me

by GLORIA DAVIS

I don't think that my adult children quite appreciate the legacies their mother has left them, even while she still lives and breathes (except on my Monday and Tuesday deadline days that is!).

To my sons I have left the greatest of prospects for a happy marriage by deleting all possibilities that they will ever say, "It's okay, but it's not as good as Mom's," at the dinner table.

The way I see it, my lack of interest in culinary skills has greatly narrowed the chances that they might marry a girl who is a worse cook than I.

They might even marry a girl from a wealthy family, who is used to servants that take care of that kind of mundane thing, ergo the possibility of a cushy vice-president's job from "Good Old Dad," her's that is.

Then of course they could marry a dedicated career woman who would be able to support them. Now that can't be all bad.

If they would actually succeed in finding that rare creature who qualifies for the "Worse Than Mom," award, at least they would lose weight, which is okay too since they are all usually on a diet anyway.

To my one and only daughter, I have left the great peace of mind that comes from knowing that she will never have to scurry around cleaning before Mom comes with her white glove, since "Good Housekeeping" mag has never featured me in its "Cleaner Of The Month" column.

And another thing all of my children are assured of, as long as any of me is still moving (this includes my mouth), is the feeling that somebody cares, cares enough to bug the dickens out of them if they aren't getting enough sleep or paying their auto insurance premiums.

This of course is a lifetime, divinely endowed, privilege bestowed on all mothers, along with the right to lay a guilt trip or two on them periodically, just in case they get a little too cocky.

What child's life would be complete without being told to have a good time on that vacation that is really too costly, while mother scrapes together her pennies to go to the local movie theater once a month?

And my lucky son-in-law gets practice in self-control, kindness, and humouring his elders, when he is forced into a pleased smile while he lets me rearrange his home when I visit, even if he does put everything right back where it was after I leave.

I ask you, how many sons-in law get those kind of character building lessons free of charge?

I have also taught them by example, never to use maps when driving to strange places. This is the greatest way to end-up seeing places they probably would have gone through life completely unaware of.

But I hope that the greatest legacy of all will always be the inability to stay really angry at anyone, about anything. As far as I'm concerned, this doesn't show a lack of bone in the back, but of being a bone-head.

Cancel roast

After a meeting of the officers who work on the ice derby for the Northern Illinois Conservation Club (NICC), it was decided to temporarily cancel the pig roast that had been planned for August 28.

A spokesman for NICC said the cancellation was brought about by "the apparent selfishness of a few individuals who are attempting to thwart the progress of NICC."

The regrets of the officers were added by the spokesman who also said that members would be notified if and when the roast might take place.

When the first escalator was installed in Harrod's department store in London, brandy was served to passengers who felt faint.

Eric A. Swenson, 76, of Antioch, died August 24 at the Veterans Administration Hospital, North Chicago.

He was born Nov. 14, 1906 in Varnamo, Sweden, coming to the United States at 18 years of age. He lived in Chicago until moving to Antioch in 1970. He served in the U.S. Army Engineers during World War II and was a member of the Antioch VFW Post No. 4551. Retailers

(Continued from Page 1)

the initial impact of the opening of Jewel-Osco had caused a lull in his business but June was way ahead of last year and the rest of the season was also looking pretty good.

Antioch Drugs in the Antioch Shopping Plaza was not that optimistic.

"Business has not been better than last year," said Bill Mendrala, owner.

Mendrala said the fluctuation of the grocery stores' tenure in the shopping plaza had been one of the greatest problems for the other plaza stores.

Mendrala, in disagreement with Bernhard, thought that the excess heat had hurt local business.

Probably the most enthusiastic Antioch retailer was Jack Siegmeier, owner of Four Squires.

"This was by far the best June in 11 years, with my business up 20 percent. We had the best July ever and August is way ahead," he said.

"I felt that we had more summer people who were spending more money than they had in the last few years," Siegmeier said.

Filings

(Continued from Page 1)

Fleishman is being challenged by Ardeen Harris for the four-year term.

Only and all the incumbents now sitting on the Antioch High School Board of Education

have filed candidacy papers at the high school.

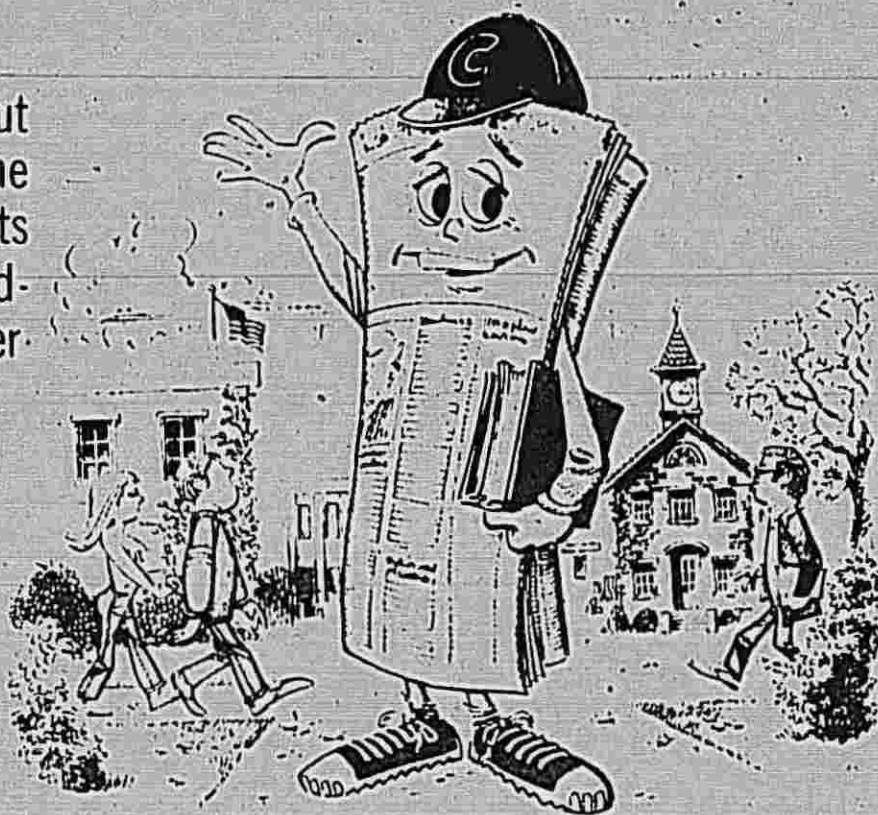

Filing are: Robert Lindblad, Tony Starcevic, and Frank Walsh, Jr., all for four-year terms; and Betty Meyer and Charles Forster, both for the two-year terms.

Antioch Township Assessment Roll For 1983

OFFICIAL ASSESSMENT LIST:

This publication is the official notice to property owners of the 1983 changes in assessed value of land and improvements in the Township of Antioch. The 1983 assessments as published herein are those determined by the Assessor of Antioch Township.

It is the duty of the Assessor to assess all taxable property on a uniform basis of valuation so that the assessed values of the various properties are a just and equal assessment of such properties according to law.

The assessment roll recording the values of property determines only the distribution of the total tax load among the individual property owners. The Assessor of Antioch Township has no control over the amount of taxes levied, nor the public expenditures. The amount of these assessed values does not determine the amount of your tax bill. The established tax rate does that. The Assessor does not make the rate, he merely finds the value of your property.

EQUALIZATION

The following printed assessments, as well as all other assessments in Antioch Township, except the property assessed under Sec. 44.1 of the Revenue Act of 1939, as amended (Ch. 120 Para. 525.1) and land assessed under Sec. 20e and 20g-1 of the Revenue Act of 1939, as amended (Ch. 120 PP. 501e and 501g-1) will be subject to a Board of Review equalization factor tentatively projected to be 0.00000. A Public Hearing on this factor will be held at a later date. To estimate market value, multiply the assessed value by the factor. This figure should represent one-third of market value.

ARRANGEMENT OF LIST

If you live in an **Incorporated area** (city or village), your property is listed under the name of your city or village which will be in alphabetical order. Each street within the city or village is also arranged in alphabetical order. Property owners living on the same street will be listed as follows:

First — vacant property or improved property with no street number.

Second — property with street number listed in numerical order (may be approximate).

If you live in an **unincorporated area**, your property is listed alphabetically by post office and street name. Then property without street numbers will be listed first followed by numbered properties in numerical order.

INFORMATION ON ASSESSMENTS:

Any property owner who has any question in regard to the assessment of his property should call the local Township Assessor's office. This publication does not reflect reductions for Homestead Exemptions or Veterans Exemptions. Note that land value and improvement value appear separately and should be added together to arrive at a total assessed value. Certain of the values published will have been reduced by a Homestead Improvement Exemption. Under present law the reduction in assessed value could be as much as \$8330 below the actual assessment. These values are subject to a Board of Review factor as well as a State adjustment factor certified to the County Clerk by the Department of Revenue. Any property owner who objects to the amount of his assessment should file a complaint in writing with the Board of Review from June 1 to September 10, 1983, or until thirty (30) days after publication, whichever is later. Complaint forms may be obtained by telephoning 689-6609 or by writing to request to the Supervisor of Assessments, County Building, Waukegan, Illinois 60085.

Questions regarding the grid system used in determining address numbers should be directed to the Lake County Map Department whose telephone number is 689-6373.

11 champs return

Sequoits join NSC to win

by MICHAEL H. BABICZ
Sports Editor

Not only do the Antioch Sequoit 11 have to get used to being one of two new teams in the North Suburban Conference (NSC) this football season, but they will be following in the grid shoes of last year's state quarterfinalist team.

"We're looking forward to coming to the North Suburban Conference," said Antioch's Head Coach Steve Wapon.

Wapon adds that proving that the Sequoits can be competition to the other NSC teams will be "a real challenge."

"The community, school and players are looking forward to it," he added.

But in the plus column, the Sequoits, will have 11 returning starters from last year's NWSC champions.

Bryan Becker heads the list as the 6-0, 170 lb. wide receiver. He had 25 pass receptions for a total of 398 yards including three touchdowns last season.

From the aspect of speed, Becker leads the way among the Sequoits as he was the NWSC long jump champion last spring in track and also anchored the Sequoits 1,600 meter relay which took first in the conference.

Other offensive returning starters include John Humphreys who will return at a different position this year being converted from a wide receiver into a quarterback.

John Mahar, 6-0, 193 lb. fullback, will give the Sequoits some added stability within the offensive backfield.

Ed Silva, 5-10, 162 lb. running back, will be joining Mahar and Humphreys to give the Sequoits a somewhat experienced starting offensive backfield.

In the offensive line, Matt McCrain, 5-11, 178 lbs., will be at the center spot as he is the lone returning starter to the trenches.

Defensively, the Sequoits have a little more balance in their returnees.

In the defensive backfield, Dan Berkiel, 6-6, 208 lbs. is back at defensive back.

At cornerbacks will be Joel Bissing, 5-10, 177 lbs., and Craig Prather, 5-9, 172 lbs.

Andy Lehn, 5-5, 183 lbs. will head the linebacking corps.

In the defensive line, Frank Mahar, 6-1, 192 lb. twin brother of the Sequoit fullback, will be returning at a end spot.

Ed Schwind, 6-1, 198 lbs., will be at a defensive tackle.

Jim Bischoff, 6-5, 211 lbs. is working at both offensive and defensive tackles.

Kevin Cudahy, 6-4, 229 lbs. is challenging at offensive tackle with Tim Prining at 5-10, 197 lbs. looking promising at offensive guard.

Willy Werhane, 6-2, 195 lbs. is a candidate for a offensive guard position with Dave Gedville, 5-10, 196 lbs. working at both center and offensive tackle.

In the offensive backfield, junior runningbacks expected to challenge are Mike Dydo, 5-6, 165 lbs. and John Riedling, 5-6, 165 lbs.

John Geir, 6-1, 155 lbs. is working at defensive back with Sean Hannigan, 5-11,

181 lbs. as a possible help at linebacker.

A junior helping at wide receiver on offense is Dave Hart, 6-5, 175 lbs.

Wapon feels that the balance in the talent of the teams in the NSC leaves a potential "for anyone to get beat on any weekend."

Hoping to be right in the middle of all this hot contention, Wapon sees Lake Forest, defending NSC champion who the Sequoits beat in the opening round of the state playoffs last fall, as a traditional power and contender.

Stevenson and Fenton might show some strength as should Warren who came in right behind the Sequoits last year.

Libertyville has a winning tradition and Zion-Benton and North Chicago some great athletes, leaving the conference championship up for grabs with the Sequoits within title reach.

Ted DeRousse, Sequoit defensive coach, talked about the Sequoit's experienced secondary, adding that Schwind was the only

returning lineman pointing out the defensive line's youth.

Frank Mahar is being transformed into a linebacker leaving his spot at defensive end open.

Lehn is the most experienced defensive standout coming back for the Sequoits as he earned all-NWSC and all-Lake County honors as a junior.

More reliable returnees are Prather, Bissing and Berkiel.

Bissing and Berkiel, should the need arise, can also play linebacker.

It looks like the big job at the season's start is to put the players where they can do the most good.

This year's Sequoits have a lot of depth and talent making the coaches' job somewhat easier.

A new name on the varsity roster is Bob Johnson, 6-0, 230 lb., who is expected to fill the three defensive line vacancies.

Other prospects for the Sequoit defense include Bob

Jiracek, a senior, who was backup linebacker last year and is being looked at as a defensive end this fall.

Senior twins Dean and Gene Elrod are also expected to see some action at linebacking spots.

John Dugenske, also a senior, is being looked at to help the already experienced secondary.

In the kicking area, Humphreys is expected to do the punting.

With Humphreys having the ability of throwing the ball, the Sequoits will always have to be respected on fourth down plays.

Dave Gedville, a junior, will be backing Humphreys in the punting department, as will Lehn.

Wapon expects the same strength in his offense although there will be some youth in the interior line.

Some of the juniors who have looked good in the early going and are fighting for starting positions include Chris Buxton, a 6-3, 180 lb. offensive guard.

Bob Ruggles charged with murder try

Robert Ruggles, 48, an Antioch electrical contractor, is in Lake County jail under \$100,000 bond, charged with attempted murder.

Ruggles allegedly shot his father-in-law, John Misk, Antioch, four times in the chest, at 7 a.m., on Tuesday, August 23.

Misk is in fair condition in Victory Memorial Hospital after an operation to remove the four bullets from his chest.

According to the Lake County Sheriff's Dept., Ruggles shot Misk because he and his wife Mary, who thwarted Ruggles'

escape after the shooting by hitting him in the head with an ashtray, were responsible for his wife, their daughter, leaving him.

A date for a preliminary hearing has been set in front of Lake County Judge Charles Scott on Monday, August 29.
